

LYTX DRIVECAM ACADEMY

STRATEGIES TO SUPPORT
YOUR SUCCESS

The Lytx DriveCam® Academy is a one-day session dedicated to helping clients deliver effective coaching and maximize DriveCam® safety program results.

WHAT YOU'LL LEARN

- Essential steps for managing a successful DriveCam safety program
- Tips on effective driver coaching and training strategies
- In-depth training on how to review and coach with DriveCam video clips
- Problem-solving and information sharing with other fleets using the DriveCam program
- Strategies to help you improve driver performance and reduce claims
- Ways to promote driver acceptance
- Valuable information to help you drive better results in your fleet

HOW TO ENROLL

Complete the enrollment form included with this document and email it to academy@lytx.com. Seats are limited and available on a first-come, first-served basis, so we recommend that you enroll early. The fee for attendance is \$195 per individual. If you're not fully satisfied with the training, we'll refund your money in full.

ABOUT THE SEMINAR LEADER

Del Lisk, Vice President of Safety Services for Lytx and former President of Smith System Driver Improvement, has more than 30 years of experience assisting fleet operators in reducing vehicle collisions. With experience accompanying more than 5,000 drivers on the road, Del has the knowledge and experience to provide you with valuable guidance on how you can use the DriveCam program to get outstanding safety results.

At Lytx® we harness the power of video to transform fleets with improved safety, efficiency, productivity, and profitability. Our flagship service, the Lytx DriveCam® safety program, sets the standard for driver safety in the industries we serve. The Lytx Video ServicesSM enhancement delivers a highly configurable user interface to provide fleet managers unparalleled visibility into their fleet operations, both in the moment and up to a week later. RAIR® Compliance Services helps DOT-regulated fleets comply with safety regulations, complementing the DriveCam® Program. Lytx ActiveVision® service helps fleets detect and address distracted and drowsy driving, both in real time and over time, and additional services offer virtually limitless solutions for fleets and field operations of any profile. We protect more than 3,000 commercial and government fleet clients worldwide who drive billions of miles each year. For more information, visit www.lytx.com, @lytx on Twitter, or our Facebook page or YouTube channel.
